I/we acknowledge and agree that the rules and regulations of the Elmore Water and Sewer Authority (the "Authority") and the rates for water and other services provided by the Authority have been made available via the Internet or by other means, and it is my responsibility to become knowledgeable of such information. I/we agree to abide by all of the rules and regulations of the Authority as the same may be amended and promulgated from time to time.

I/we agree to pay a \$100.00 non-refundable connection fee for water service.

I/we understand that my/our water bill is mailed out or made available monthly and if I do not receive a bill it is my sole responsibility to contact the Authority's customer service department to ensure that my/our bill is timely paid. I/we understand and agree that there is a 10% administrative charge for all balances not paid in full by the due date and that such administrative fee shall be applied after 4:00p.m on the due date if full payment is not timely made. I/we understand and agree that partial payments are not accepted unless by special arrangements with customer service in advance of the due date. All forms of payments that reach the Authority's office by 4:00 p.m. will be credited that same day.

I/we understand and agree that a \$35.00 penalty will be charged for any account past due 60 days or more and that my/our service may be terminated without further notice if my/our account is past due 60 days or more. I/we understand and agree that if my/our water service is disconnected for non-payment, I/we must pay the balance on the account and all accrued fees

and charges, including the reconnect fee, before service is reinstated. I understand that the reconnect fee is currently \$50.00.

If this is an entirely new service where water service has not been provided previously, then I/we also agree to install a pressure regulator and shut off valve on my/our service line just out of the meter box as required by the Pressure Regulator and Shut off Valve Agreement.

I understand and agree that water rates and other charges and the rules and regulations of the Authority are established by the Board of Directors for the Authority and are subject to change from time to time. I acknowledge and agree that all such changes will be effective upon mailing a notice of same to me/us at the billing address provided above.

I/we understand and agree that the maximum amount allowed by law will be charged on all returned checks. I/we further agree to pay all costs of collection, including reasonable attorneys' fees and court costs, should my/our account be placed for collection with a third party. I/we acknowledge and agree that all phone numbers listed above, including cell phone numbers, may be used to contact me/us for information or for collection purposes. I/we understand that my social security number will only be used for the purpose of collections. In the event that my account has to be placed in collections, I understand that 33.33% will be charged for collection fees and will be collected from customer.

By signing below, I/we understand and agree that this is a legal and binding agreement between me/us and Elmore Water and Sewer Authority, a public utility.
